Ritual Kopi *Story*

Ritual kopi founded in 2019 and we started to serve our coffee first sip at the old town of Denpasar.

Ritual kopi the words that we insist to use rather than “coffee” was to make it clear that we are a local grown coffeeshop. Coffee in Indonesia means “kopi” a word that describe so many things in our life and treat as a ritual on our daily life. We have to agree that most of us start our day with a cup of coffee to boost our energy and it is like a ritual to all of us.

Ritual kopi serve the best of balinese ground coffee from all over Bali. We are proud of our rich taste of balinese coffee from kintamani, pupuan, plaga and other part of Bali to your cup. A part from that we also provide selections of delicious delicacies of casual food for you to enjoy. Our family team in the kitchen working daily from the freshest of the best ingredienst which source from local grown butchers and farmers out of tabanan, bedugul, and all over Bali.

Ritual kopi is a nest for a coffee lovers, a home for foodies to have a eat good food and a place to relax for all human being.

Good Coffee - Good Food.
